Games typically last around 75-90 minutes, although it is possible for them to last longer. Clean-up takes about 15 minutes. Parents can reasonably expect to pick up students 1 hour and 45 minutes after the tip-off times above (7:15 tip-off = about 9:00 finish time)

Should one or both basketball teams make it into the post-season, an additional performance schedule will be provided as soon as possible. Students who perform at 8 home games will be the first invited to travel if the Pep Band is able to travel with the team.
